Dear Bill,

As you probably know, the situation in Ottawa is getting dire. My community, who live in the downtown, are feeling as they are under siege. There's noise, intimidation, and a general sense of insecurity.

I hope we are facilitating plans to ensure that the protestors are not staying overnight in the residential areas.

I am told that a big concern is resources available to Ottawa Police. I hope we are able to deploy federal resources, such as RCMP, and receive support from the OPP.

I have been in contact with Marco (copied). Also, I have written to Chief Sloly, Mayor Watson and NCC CEO Nussbaum (emails below).

Please let me know if I can be of any help.

Regards,

Yasir

Dear Chief Sloly,

Thanks to you and member of the Ottawa Police Service for all the hard work during this difficult week.

As you may have heard, there are serious concerns about the presence of protestors in residential areas of downtown. The residents are being harassed and feeling intimidated. I hope there are plans in place to ensure that the trucks are not parked overnight in the surrounding neighbourhoods.

I have been in contact with Minister of Public Safety, Marco Mendicino, who has also relayed my concerns to his officials. (Note to him, Mayor Watson and NCC CEO Nussbaum is copied below.)

Please let me know if there are ways I could assist.

Regards,

Yasir

Hi Marco... I'm sure you are on top of the situation in Ottawa. It is becoming very dire for my community, as residents are being harassed and intimidated while trying to do normal things in life (like walking their dogs, etc.).

I have sent a note to Mayor Watson and NCC CEO Tobi Nussbaum (see below) seeking guidance in terms of plans to end the protest, or at the least, remove cars/trucks and protestors from residential areas.

Thanks for all your help,

Yasir

Dear Jim and Tobi,

First, thank you for all of yours and City and NCC staffs' hard work during this very difficult time.

As you are probably hearing, I am getting much feedback and complaints regarding the behaviour of the protestors. The constant honking, screaming, yelling, and other acts, is causing much anxiety and fear for the residents who live downtown.

I hope there are plans in place to peacefully remove these individuals, trucks and cars from residential areas.

I am here to help in any way I can. Please reach out any time.

Thank you,

Yasir
